3. The Chairman presented to the Board the case of [REDACTED] a Training Careerist, who has requested that his mandatory retirement date be extended for a period of one year, until May 1968. The Head of [REDACTED] Career Service has concurred in an extension of his services only until 30 November 1967, in order to allow time for him to complete a normal two year tour [REDACTED]. The Board was unanimous in recommending to the Director that [REDACTED] services be extended, but only until 30 November 1967.

4. The Chairman again presented to the Board the case of [REDACTED] who had been nominated for participation in the System by the National Estimates Career Service. The Chairman informed the Board that he had discussed this case with Mr. Sherman Kent, the Director of National Estimates, and that Mr. Kent had withdrawn the Career Services support for this case. The Board was unanimous in agreeing that [REDACTED] did not meet the criteria for participation in the System at this time in that he was not serving on a career basis in a field which normally requires the performance of qualifying service as an integral part of a career in that field. [REDACTED] was to be informed of this tentative conclusion and advised that he was entitled to submit, in writing, any pertinent information to the Board prior to the Board making a final recommendation to the Director of Personnel. [REDACTED] was also to be informed that this action does not preclude reconsideration of his eligibility to participate in the System if he should meet the criteria for designation in the future.
